The opening sale of Continental and Suffolk Gimmer lambs had a small entry which was well received with plenty of interest ringside in which more could have been sold and looking forward holding sales in the future. Strong quality gimmer lambs were keenest sought after with buyers cautious of smaller types. The trade topped at £185 for a pen of smart Suffolk x Cheviot Mules from R & JM Harper, Sedbergh, the second prize pen of suffolks was awarded to D Alderson, Brignall selling to £168 with both lots purchased by Sledmere Estates, Driffield.
